

CLUE 4

Biathlon

Biathlon consists of five field events: individual, sprint, pursuit, relay, and mass completion.

Individual event is the oldest of the five. In this biathlon event males ski for 20 km while women ski for 15km. The distance is divided into five laps each with four shooting targets.

A male athlete ski's a 20 km time of 28minutes but misses two shooting targets. What is their final time?

You must work together to complete the final puzzle:
